2018 Test Administrations

Reporting Student Data File Format

STAAR END-OF-COURSE REPORTING STUDENT DATA FILE FORMAT

Overview

All STAAR data for end-of-course (EOC) assessments will be reported on the same data file. There will be one record on the data file for each subject for which a student is assessed. Following is a list of the most significant changes being implemented in 2018.

- 1. Agency Use:** Agency Use column D will be used to capture TAKS/TAAS/TEAMS indicators. See position 218. NOTE: Crisis code should not be entered into Agency Use fields. The crisis code will only be captured for accountability via submission to TEA, not from answer documents. For additional information see [Texas Student Data System \(TSDS\) Weekly Crisis Code Report Final Submission](#).
- 2. Test Accommodation Information:** Beginning with the spring 2018 administration of STAAR, General Accommodations has been renamed Designated Supports. See position 252. Two new accommodations have been added. They are, Content and Language Supports, and Spelling Assistance. See position 261 and 262. In addition, Language and Vocabulary Supports, as well as Content Supports, have been eliminated.
- 3. TAKS/TAAS/TEAMS TESTER INDICATOR:** An indicator has been added if Agency Use Column D was accurately coded to indicate a TAKS, TAAS, or TEAMS tester for all tests taken by the examinee. See position 384.
- 4. Lexile Measure:** The Lexile Measure has been added for STAAR EOC English I and English II. See position 823–827. A complete Lexile Measure history for grades 8–11, including the End-of-Course Code and Administration Date associated to the Lexile Measure, has been provided in positions 1499–1542.
- 5. Quantile Measure:** The Quantile Measure has been added for STAAR EOC Algebra 1. See position 828–832. A complete Quantile Measure history for grades 8–11, including the Administration Date associated to the Quantile Measure, has been added to reflect information in the Student Portal. See positions 1563–1598.

The following changes were implemented starting with the reporting file for summer or fall 2017 STAAR EOC administration. The changes are listed here for reference.

- 6. CAREER-AND-TECHNICAL-ED-INDICATOR-CODE:** The value of “3” has been dropped as an option for the Career-and-Technical-Ed-Indicator-Code. See position 122.
- 7. Alternate Assessments:** Beginning with the fall 2017 STAAR EOC administration, former TAKS/TAAS/TEAMS students may use the STAAR EOC assessments to fulfill their graduation requirements. The Alternate Assessments Standards for the corresponding STAAR assessments can be found under TAC §101.4003(a). For additional information, please refer to positions 374–383 in the ALTERNATE ASSESSMENTS FOR TAKS/TAAS/TEAMS section on page 14.
- 8. Elimination of ELL Progress Measure:** The ELL Progress Measure calculation has been discontinued. The ELL Progress Measure will remain in the Cumulative History section for spring 2017 administrations. TELPAS data to support the ELL Progress Measure has also been removed from the layout.

NOTE: The data will be provided in a fixed-length text file format with the layout defined below. The file extension will be .txt.

Total Points Possible	8	13	13	16	9	9	68

** The STAAR written composition score is weighted by two. A score of 8 would yield a maximum score of $8 \times 2 = 16$.

351–362 12 **REPORTING CATEGORY SCORES**

Number of items correct/points achieved by reporting category.

363–364 2 **BLANK**

365–366 2 **RAW SCORE**

The STAAR raw score for Algebra I, Algebra II, biology, and U.S. history assessments is the total number of items the student answered correctly.

The STAAR raw score for English I, English II, and English III is calculated by adding the number of multiple-choice items answered correctly and the weighted written composition score (weighted by two). {Number of multiple-choice items + (written composition score * 2)}.

If a student has 41 of the 52 multiple-choice items correct and a score of 6 on the written composition, the student’s total raw score will be 53 out of 68 possible raw score points { $41 + (6 \times 2)$ }.

STAAR EOC CUMULATIVE HISTORY

The STAAR EOC cumulative history data provided is from the administration with the highest scale score (where the score code is an “S”) or, if the student has not passed, the result from the last time a document was submitted for the subject. Because students who previously took STAAR Modified are required to meet the requirements set by the Admissions, Review, and Dismissal (ARD) committee, those results are not included in the Cumulative History section.

English I

Prior to spring 2014, English I was composed of English I reading and English I writing and results were reported separately. For purposes of cumulative history reporting, student results prior to spring 2014 for English I have been reviewed to determine if a student met the graduation requirements under the rules in place prior to spring 2014.

For English I, those requirements are: a scale score in reading of 1813 or higher, a scale score in writing of 1798 or higher, and a combined reading and writing scale score of 3750 or higher. If those requirements are met, a value of '1' will be present for Level II. If the student achieved Level III in both reading and writing then a value of '1' will be present for Level III. The scale score value will be the sum of the English I reading scale score and the English I writing scale score. If the student has not yet met the graduation requirement and has not tested after 2013, the scale score will be blank.

English II

Prior to spring 2014, English II was composed of English II reading and English II writing and results were reported separately. For purposes of cumulative history reporting, student results prior to spring 2014 for English II have been reviewed to determine if a student met the graduation requirements under the rules in place prior to spring 2014. For English II, those requirements are: a scale score in reading of 1806 or higher, a scale score in writing of 1807 or higher, and a combined reading and writing scale score of 3750 or higher. If those requirements are met, a value of '1' will be present for Level II. If the student achieved Level III in both reading and writing then a value of '1' will be present for Level III.
